**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly support broadband competition in our community. Choice is already often times non-existent. In San Francisco where I live, Sonic is the only Fiber to the Home provider. We need more competition for broadband services. Incumbent telcos lack any incentive to invest in our communities and improve service

Thank you,

Velislav Iltchev
